
Lifestyle Reviews

The scope of this section is to publish reviews of Lifestyle activities around Manchester by people based around Manchester, activities around or relating to Manchester, and reviews written by people around Manchester. As this is a new initiative on the site, contributions and suggestions on how best to structure and solicit reviews are welcome.

Suffice to say that the site cannot pay for contributions, but links from the reviews are possible where they are relevant. Please Email me your lifestyle reviews to reviews@manchestersalon.org.uk This e-mail address is being protected from spambots. You need JavaScript enabled to view it
